

Instructions to Edit Security Questions

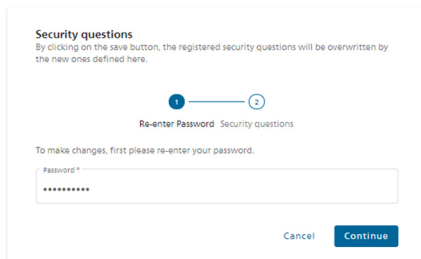

In the following document you will learn how to change your security questions. You can access the CH-LOGIN portal here <https://www.myaccount.eiam.admin.ch/>.

A

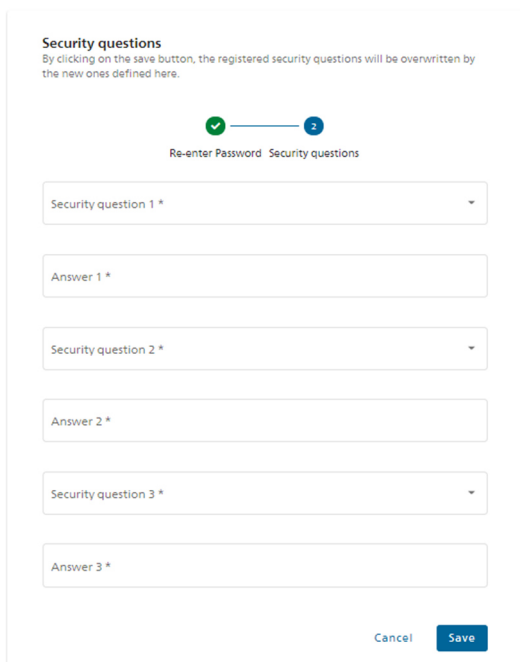

If you want to change your security question, you can do so in the Change "Login & Security". For security questions, click on "Edit".

B

Please enter the password of your CH-LOGIN.

C

Please change the answers of your security questions and confirm the changes with "Save".

END
