

Request/cancel electronic delivery of authorisation

Please complete this form and let it confirm by a person authorised to sign according to the Swiss Commercial Register or by an existing main user from the Product register of chemicals with signature and/or company stamp. You will from now on receive all authorisations for your biocidal products (Transitional authorisation AN) and/or new substances electronically from the Notification Authority for Chemicals. **Consent can be withdrawn at any time.** The granting and withdrawal of consent must be made in writing.

IMPORTANT:

- **If you would like electronic delivery of authorisations for biocidal products and for new substances, please fill out two separate forms.**
- **Only one (1) person can be designated per registrant**

1 Select delivery type
